

Auto Injury Information for Patients –English and Spanish

Dear Patients,

The Accident Injury Therapy Center has served The Valley, New Haven and Fairfield Counties for Thirty Years.

Our office offers gentle treatment for neck and back pain and arm/shoulder/hand/leg/knee/foot complaints due to injuries suffered in car accidents. Our office has X-Ray on site.

Our office also refers patients when medically necessary for orthopedic and neurologic evaluations and CT/MRI imaging.

Accident and Injury Therapy Center shows compassion for accident victims. The office will hold a letter of protection from your attorney. This allows for you to receive immediate treatment for your injuries.

Call us at 203-735-5555 or email us at accidentinjurytherapycenter@yahoo.com to book your appointment!

AND REMEMBER AT ACCIDENT INJURY THERAPY CENTER,
WE'VE YOUR BACK!
